

School of Social Work Year One Updates

Brief Summary of Strategic Plan

The School of Social Work's Diversity, Equity and Inclusion plan consists of working to engage the community in efforts to create a more diverse, equitable and inclusive environment in the context of the School's vision, mission and goals.

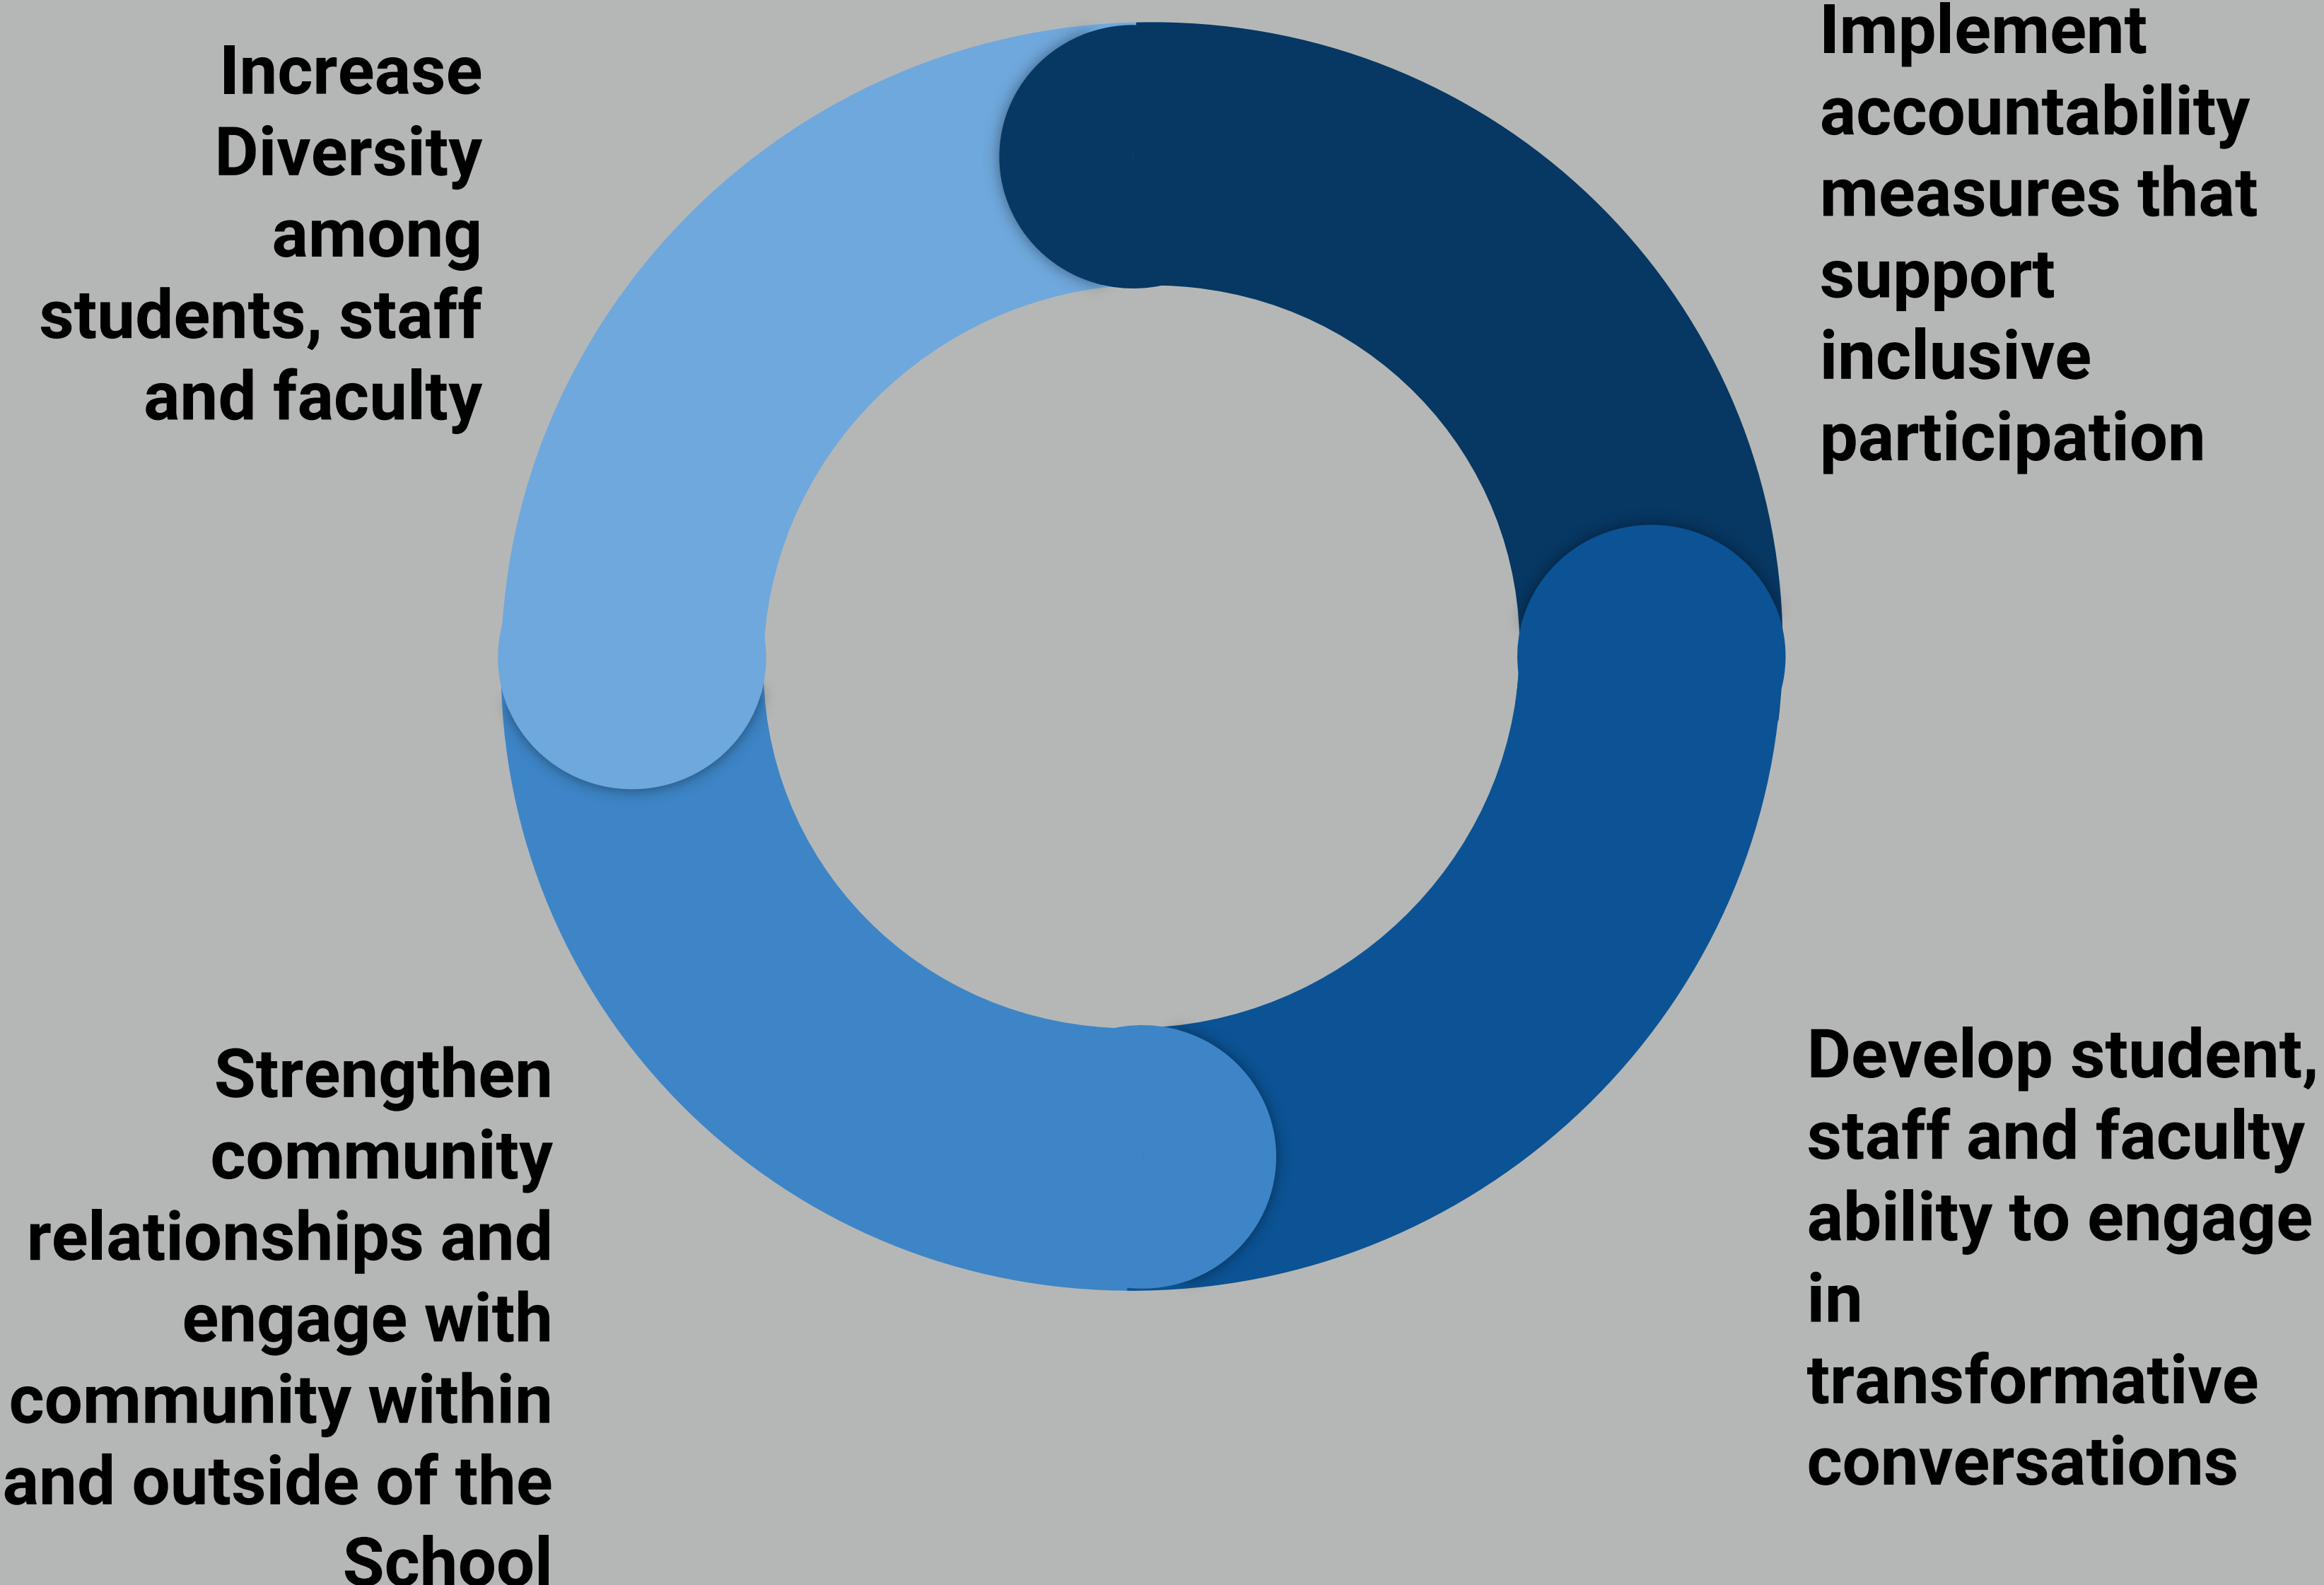

Program Activity and Highlights

Planned Tracking

- Planned tracking of community connections within and outside of the School
- Planned evaluation of the progress of the DEI plan
- Working on adding DEI components to Student Exit Survey
- Evaluation of student course evaluations for the required entry level Diversity and Social Justice course for MSW students

Strategic Objectives

What We Learned

From this process, the Office has learned that there is a need to be flexible and open to the changing climate and needs of the School. This means also using the strategic plan as a guide as the climate and needs change.

There was also a need for more consideration of how the Office responds to current events in a timely and appropriate manner.
