

DEI Discussions: Perspectives from Research and Experience

🌟 Celebrating Diversity, Equity, and Inclusion in CSE 🌟

Diversity, Equity, and Inclusion (DEI) at CSE

- Presenter: Nikola Banovic, Chair, Diversity, Equity & Inclusion Committee
- Discover how DEI forms the core of Michigan CSE values, promoting a public good and fostering academic excellence through diversity in research.

Significance of DEI in Research

- Presented by: Prof. Rada Mihalcea
- Explore the impact of DEI on research quality, innovation, and the pursuit of academic excellence.

🌟 Round Table Discussion 🌟

Student Organizations

- **Visibility & Impact:** Exploring ways to showcase the significant impact of student leadership on DEI.
- **Engagement Benefits:** Highlighting networking and support for minorities as key benefits of involvement.

Department Initiatives

- **Building Community:** The critical need for more inclusive activities and courses for new students.
- **Collective DEI Effort:** Reinforcing that DEI extends beyond the committee to involve all department members.

Research Focus

- **Broadening Networks:** Encouraging wider, more diverse collaborations to enrich research and innovation.
- **Meaningful Representation:** Ensuring diversity in research is authentic and impactful.
